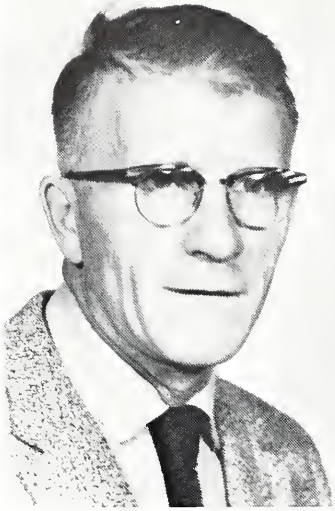
IN MEMORIAM



THERON RAY, TEACHER

THERON RAY was a most beloved teacher. He had an understanding of and a love for his students that is seldom equalled among educators. It was natural that the feeling be returned to him.

A man of deep humility, he was unaware of his own greatness, which lay in his unique ability to teach his pupils how to think.

He is gone, but he lives forever in hearts and minds of former students, who consider it a privilege to have sat in the classes of a truly successful teacher.

---Mrs. Rosella Vining

THOMAS BIRCH PASSWATERS was a dedicated servant to the Willshire and Parkway Schools for 26 years and to his community, family, and friends for all of his life.

He always made you feel that you were his "special" friend, yet to Tom everyone was special. Youngsters and elders alike sought and respected his advice. Many issues were settled with "Let's ask Tom".

Rarely in life's procession there comes an "uncommon man" such as Tom who leaves the woodpile bigger than he found it, the world better than when he came to it, and a void that is mighty hard to fill.

MORRELL G. HOOVER
. . From A One-Room School

Veteran Instruct

Parkway Scie

By MRS. ERNEST THOMPSON
Lima News Correspondent

ROCKFORD — Thirty - three years of teaching have bridged the gap between a one-room Kentucky school and a modern Parkway High School science lab for Rockford's Morrell G. Hoover, named last week as the outstanding science teacher in Ohio's West District.

The recognition sponsored by the Ohio Academy of Science, came as a surprise to Hoover, who was attending the District Science Day at Central State College, Wilberforce. Last year he came close to receiving the honor when he was one of the top five nominees in the district comprising more than a dozen west Ohio counties.

The Owensboro, Ky., youth was one of nine children. Three years he rode horseback to a one-room country school in an effort to educate 65 pupils and attend to the pot-bellied stove. It's not surprising that the schoolmaster laughingly admits that he wasn't too unhappy when some of his teeming brood were unable to be present.

The crowded schoolroom, was added to by the inexperience of the teacher, who had completed only his sophomore year of high school. Two years later Hoover graduated from Bowling Green High School in his native state.

At one time, Mr. Hoover had hoped to become a doctor. The high cost and the long duration of preparation, he says, deferred this, but he feels the field of science has been a rewarding substitute.

Two years at Western Kentucky Teachers College followed his graduation from high school. Additional work has been done at Findlay College, some during his nine years as seventh and eighth grade teacher at Rawson. He received his Bachelor of Arts degree at Findlay.

Additional credits were obtained from Bowling Green State University, Ohio State University, Ohio Wesleyan, Indiana University, Bluffton College, and the University of Alaska, near Fairbanks. It was a National Science Foundation Institute scholarship that made possible the eight-weeks study in 1959 at the Alaskan university.

When "M.G." came to the Rockford School 24 years ago, he taught general science and history. Though he has an interest and a minor in French, he has never taught the subject. One of the highlights of his teaching career was the high rank of one of his students on the state scholarship test in 1959, when John Runyan, who will soon be a science teacher, tied for first place.

Last November Hoover was

chosen as chairman of the Mercer County Teachers' science workshop. Each year's activities include the sponsorship of Science Day competition, and class trips to the Armco Steel Corporation, Middletown; Battelle Institure, Columbus; and the Sohio Refinery laboratory in Lima.

Membership in several professional organizations keep the veteran teacher informed on the latest developments in the educational and scientific fields. He is affiliated with the national, state, county, and local education associations as well as the Ohio Academy of Science and the National Science Teachers Association.

This summer Hoover and his wife, the former Hattie Thompson of Waverly and fourth grade teacher here, are off to the remote wilderness of the Alaska Penninsula and the volcanic area of Katmai, then on to the Arctic Circle. The Hoovers have visited all of the states except Hawaii, most of the Canadian provinces, and Mexico.

No doubt, Hoover will find time to visit with his two sons, Larry, a science teacher in the Parma High School, and Ronald, a major in the Strategic Air Command, based at Lincoln, Neb., and his six grandchildren.

The Alaskan tour will provide M.G. an outlet for his photographic bent and add to his supply of slides which he has already shown in four states to churches, schools, garden clubs, farmers' meetings, fraternal organizations, and 4-H clubs.

The active scientist has no immediate plans for retirement from the profession he loves. When he does decide to leave the three chemistry and two physics labs he will concentrate on the science of landscaping, he says, a work he has been doing on the side for several years. There will also be the adult Sunday School class at the EUB Church, where he is a substitute teacher.

Mr. Dale R. Schlatter
Executive Head
Parkway Local Schools
Rockford, Ohio

Dear Mr. Schlatter:

I am happy to inform you that Mr. M. G. Hoover of your science staff has been selected as the 1963 Outstanding Teacher from the West District. His selection was made by the West District Science Day Committee. This Committee is composed of eleven high school teachers. Each teacher represents one of the eleven counties which comprise the West District.

The award will be given to Mr. Hoover at the time of the Annual Banquet of the Ohio Academy of Science. This affair will be held during the annual meeting of the Ohio Academy of Science, Friday, April 26, 1963 at 7:00 p.m. We hope that Mr. Hoover will be able to attend the Friday Program of the Ohio Academy and receive this award in person. The Ohio Academy is meeting at Central State College on April 25-27. State Science Day is on the 26th.

The West District Science Day Committee appreciates very much your cooperation in submitting the fine nomination of Mr. Hoover.

1963 Senior Class
Parkway High School
Rockford, Ohio

Dear Seniors:

One of the greatest satisfactions an individual can experience is the completion of a task well done... congratulations to all of you.

In the past years of working with your present and past yearbook staffs at both Rockford High School and Willshire High School, then the Parkway High School, I have of course not been able to become acquainted with all your seniors but, if the ones I do know are typical, this is a very fine class. I hope that the future will bring not only happiness and success for the entire group but that many of you will have the opportunity to go on with your education and utilize the skills you have developed in the past 12 years.

May I take this opportunity to express my personal "thank you" for the privilege of working with your Mr. Thompson, and his fine staff, for without their efforts and time devoted toward producing this top-notch yearbook, this publication would not have been possible. May I congratulate these people for a job well done.

The very best of luck to all.

Sincerely,

Paul Whitaker

PROPHECY

The invitations have been signed, sealed, and delivered. The response to the Twentieth Reunion of the graduation class of 1963 has been 100%. As silence falls over the crowd, Rev. Dan Reichard gives the invocation. Immediately following the banquet, Cheryl Johnson, the class president, extends best wishes to everyone. She has been given the privilege of introducing the President of the United States, Ron Weitz, a former graduate of West Point. After the applause ceases Cheryl Baker, the famed vocalist, sings the theme of the memorable Senior Prom, "Moonlight and Roses." Mr. America, the one and only Dennis Hoffhines, was asked to lead the first dance with the famous John Powell model, Elaine Stober. We also notice two pro football players, Bill Copeland and Francis Schaffner, with their coach, John Shafer. As the first dance ends we have a chance to talk with Ron Hertel, basketball coach at Manchester. He tells us that his star players are Jack Clouse and Duane Sell.

As the dance continues, we recognize Dean Osborn, the "best physician of our time" surrounded by his nurses, Karen Kettering, Nancy Rhoades, Nancy Sapp, Judy Merinar, and Kathleen Beougher. They are being served punch by Shirley White, Sandra Bolinger, and Kathleen Donovan, waitresses from a restaurant owned by Ronnie Swygart.

Jim Chrispin, the famous nuclear physicist, with the aid of his assistants, Karen Ray and Sheryl Butcher, is explaining his latest hypothesis. Among those listening to Jim explain how he came to his conclusion are some teachers at Parkway: Tom McGough, chemistry teacher; Cathy Kimmel, English teacher; and Karen Smerik, mathematics teacher.

Across the auditorium we see light bulbs flashing, so we decide to investigate. We aren't too surprised when we find Joe Miller, a professional photographer, taking pictures of Doug Huffman and Mary Ann Krall, famed actor and actress respectively. To our right we see the famous beautician, Darlene Bruns, showing off the latest hair styles she created especially for the stewardesses who work for Marlin Lautzenheiser's Trans-World Airlines. His stewardesses, Fran Gephart, Carolyn Walls Shirley Hamrick, and Rose Beougher absolutely adore the new hair styles and their new uniforms designed by Patti Lee and Elaine Westerberg. These two famous women also designed the uniforms worn by Arillia Laux and Arlene Williams who are serving in the Air Force and Army.

Across the dimly lighted floor we see a model of a contraption built by Gary Linn and Dave Rasawehr. We are told that "hot rods" of this type will be driven in the Indianapolis 500 by Larry Henry, Kenny Fetters, Gary Hauter, and Jim Heffner. They will have the assistance of the best mechanics in the nation during this great race. They are Larry Gehm, John Schaadt, and Jerry Reigle, who also work at the Michael's Garage, owned and operated by Laurence Michael. Chief Justice of the Supreme Court, LaVerne Hamrick, is warning the guys not to try their hot rods out on the highways.

Ronald and Donald Frahm, owners of the Frahm Candies, Inc., are having free samples passed out by some of their employees, Rosemary Garver, Mary Luginbill, Myrna Maurer, and Mary Miller. Last, but not least, we talk to Terry Putman, owner of Putman's Department Stores. He tells us that his secretaries, Barbara Provci, Carol Baker, and Lena Wilson, are "tops" in their work. Clerks working for him include Martha Bollinger, Candy Brehm, Carolyn Jones, Linda Rankins, and Connie Sipe.

As the final number, "Goodnight Ladies," fades into the stillness of the night, we discover that all the graduates of 1963 have been accounted for and are awaiting with great expectations the future years.

---- Mary Anna Provci

HISTORY

(The senior class of '63 attended Willshire school for ten years)

In September, 1951, 42 excited little boys and girls entered the halls of Willshire School for the very first time. Because there were so many of us, we were divided into two classes which were taught by Mrs. Opal Clouse and Miss Joyce Snyder. We worked very hard at reading, printing, spelling and counting.

Our second grade was again divided into two groups. Mrs. Kathryn Griffith taught the regular second grade, and Mrs. Joyce (Snyder) Stover taught first and second grades. That year we had many substitute teachers: Mrs. Dypert, Mrs. Carmel Marbaugh, and Mrs. Bess Cowan.

In Mrs. Esther Dellinger's and Mrs. Marcella Shroeder's third grades, we studied geography for the first time and were busy with division in arithmetic.

For the first time the class of '63 was together in Mrs. Merl Bain's fourth grade. We took part in the Christmas operetta as shoemakers.

Mrs. Edith Bowen welcomed us to the fifth grade and with her we journeyed through our United States.

Our first male teacher was Mr. Clark Sipe. In his sixth grade he prepared us for junior high.

Mr. Ray Black was our first junior high sponsor. Class parties, class officers, and several different teachers were some of the new interests and activities opened to us.

The eighth grade was sponsored by Mrs. Laura Rumple. Our junior high basketball team took the tourney that year. They were coached by Mr. Don Black. Having passed the eighth grade test, we bade a fond farewell to our junior high days.

Our class of 39 freshmen was sponsored by Mr. Theron Ray. On March 18, 1960, we presented to the public our first and only penny supper and two one-act plays: "Feudin' Mountain Boys" and "Life of the Parth." (The supper and plays were very successful.) ? ?

Mr. James Schafer, our sophomore class sponsor, was also our drivers education instructor. Thanks to his quick thinking and footwork(we had dual brakes in the training car!) we all survived and began making plans to enter our junior year at Parkway High.

(Part of the senior class of '63 also attended Rockford school for ten years)

In September, 1951, the Rockford portion of the 1963 Parkway senior class was welcomed into the first by Mrs. Cedell Penn and Mrs. Edith Fishbaugh. They told us school was going to be wonderful. We were going to learn so many things and maybe, if we were lucky, even have homework like our older brothers and sisters! We were beginning to wonder about the veracity of that first remark when we entered the second grade. Mrs. Thelma Hawk and Mrs. Zona Shindeldecker were there to guide us.

The following September we willingly moved on to meet our third grade teachers, Mrs. Pauline Brooks and Miss Carol Rogers. Many noons were spent completely in the cafeteria trying to eat all the delicious food we were served. Now we were big fourth graders! Our teachers were Miss Florence Frahm and Mrs. Rosalie Farmer. Remember the fights we always had to see who got to throw a pinch of food into the goldfish bowl?

Going into the new addition, we met our fifth grade teachers, Miss Mabel Wolfe and Miss Dorothy Woodbridge. Miss Wolfe kept us spellbound for many hours while she told us of her tour through Europe. Also, we never tired of hearing about Miss Woodbridge's wedding plans. We enjoyed our fifth grade year immensely but were eager to begin nibbling at sixth grade work. Mr. Ford Koeppel and Mr. Clyde Foster lent us their helping hands.

We were now ready for seventh grade and the upper hall. Mr. Franklin Le Fevre and Mr. Jerrold Cory accepted the challenge of advising our 54 member class. For the first time we elected class officers and student council representatives. Our class trip us to Huffman's Manufacturing Plant, Celina, Ohio. Although we advanced to the eighth grade, we still were favored with the same advisers. For our class trip we toured the Goodyear Plant in St. Marys.

The following fall 49 "green" freshmen entered high school, eagerly anticipating the four years that lay ahead. Our class was sponsored by Mr. Roger Stuckey and led by president Jim Chriapin, vice-president Ron Hertel, secretary-treasurer Nancy Sapp, and student council representatives Cheryl Johnson and Doug Huffman. In the spring the class journeyed through the Superior Coach Corporation and Lima WIMA TV. Elaine Stober was our homecoming attendant.

Mr. Stuckey remained as our adviser during our sophomore year, and chosen to lead the class were Jim Chriapin, president; Judy Merinar, vice-president; Dennis Hoffhines, secretary-treasurer; and Verna Wollet, reporter. Nancy Sapp and Bill Copeland were elected as student council representatives When spring arrived, the Latin II class was privileged to visit St. Charles Seminary, Carthagena, Ohio Our class trip took us to Wright-Patterson Air Force Base, Dayton. Unfortunately some of us got "lost" in this big city. Nancy Rhoades represented us during homecoming activities.

Because of the consolidation of the Willshire and Rockford school districts, our junior class jumped to 79 members. Mr. Jerrold Cory was selected as our adviser. Serving as able class officers were Bill Copeland, president; Judy Merinar, vice-president; Jack Clouse, secretary-treasurer; Don Frahm, reporter; and Nancy Rhoades and Ron Weitz, student council representatives. Judy Stewart represented us at Homecoming. Mint Green and white were selected as our class colors, and the white carnation as our class flower. The motto chosen was "Forward ever; backward never." During the year the scientifically minded chemistry students visited the Lima Oil Refinery and the Middletown Armco Steel Mills. Judy Merinar, Cheryl Baker, Jack Clouse, Ron Hertel, and Ron Weitz were elected to represent Parkway High at Girls' State and Boys' State respectively. Highlights of our junior year were the class play, "The Night of January 16" and our prom, "Stairway to the Stars."

Sixty-seven seniors entered Parkway High in September, 1962, to complete their high school days. Leading the class were president Cheryl Johnson, vice-president Jack Clouse, secretary-treasurer Ron

Hertel, and student council representatives, Elaine Stober and Don Frahm. Elaine Stober reigned over the Homecoming football game with Nancy Sapp as senior attendant. Captain Bill Copeland did the honors. Our adviser, Mr. Cory, directed the senior class play, "Terror in the Suburbs," which proved to be a smashing success. Kathleen Beougher won the Betty Crocker Homemaker of Tomorrow Award, and Cheryl Baker was selected to represent us in the Tri-County Hobby Show. Escorting her was Ron Frahm. Jim Chriepin placed first in the county in the Ohio History and Government Test and was awarded a two days' stay at Ohio University, Athens, to take the final. Duane Sell was awarded a State Farmer's Degree, and we were honored to have a member of our class, Ron Weitz, receive a principal appointment to West Point. Then, with the coming of spring, our high school days slowly drew to a close.

Four things a man must learn to do
If he would make his record true:
To think without confusion clearly;
To love his fellow-men sincerely;
To act from honest motives purely;
To trust in God and Heaven securely.

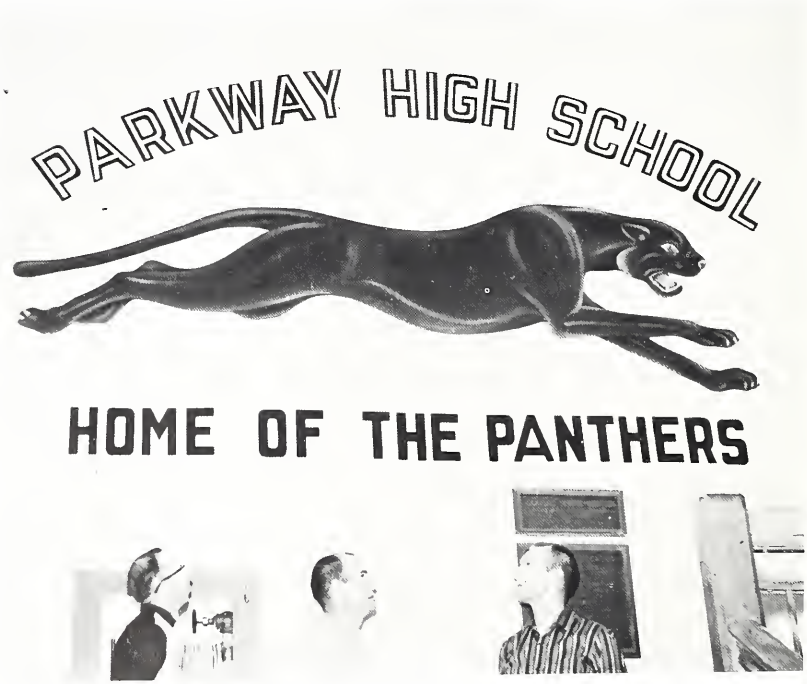
BOOSTERS CLUB

The Parkway Boosters Club has erected a large panther on the wall of the hallway leading to the high school gym in the Rockford Building. Work was done by Jack Griswold of Celina.

Other accomplishments of the Boosters include financing of one-half of the film for movies of the football games, underwriting the cost of materials for the high school boys' physical fitness program, the purchase of a basketball rack, and furnishing programe for basketball games.

The group is now initiating plans for the erection of a new football electric scoreboard in conjunction with school organizations and alumni associations, and is considering permanent bleachers for the football field.



Officers left to right: Don Ralston, Secretary-Treasurer; Vince Dugan, President; and Roland Marbaugh, Vice-president.

PARKWAY HIGH SCHOOL ALMA MATER

We sing our praise to thee our high school
Never to forget thy name.
To the world we'll raise thy glory
And ever strive to bring thee fame.
Your black and gold we shall always see
O'er ocean, land, or where e'er we may be,
Alma Mater, praises be, our dear Parkway High.

PARKWAY HIGH SCHOOL FIGHT SONG

The gold and the black is our cry,
We're fighting for our Parkway High,
Now join in the song, as the black cats go on
Rising to victory.

Now Panthers go on and attack,
We're here with our gold and our black,
We'll fight with our might, the Panthers tonight,
As we go on to victory.

Charge on down and score that TD,
We'll be proud as ever can be,
Rebound, dribble, pass off that ball,
Then pivot around, and shoot it and score.
Everyone, let's cheer for our team,
Watch them go they're right on the beam;
Panthers fight and win tonight and
March right on to victory!

When School's Out

When the books close, and the last bell rings,
And carefree days are lost to mundane things —
When nostalgia strikes, and your memory wanes,
And you remember the faces but not the names,
Pick up your yearbook and leaf it through,
And remember the days so dear to you.
